DIRECTOR OF CENTRAL INTELLIGENCE
HUMINT Committee

DCI/HC 83-074

23 MAY 1983

MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA: Director, Intelligence Community Staff

[Signature] 25 MAY 1983

FROM: [REDACTED]

Acting Chairman, HUMINT Committee

SUBJECT:

National HUMINT Collection Plan [REDACTED]
Technology Transfer to the Soviet Union and
East European Communist Countries1. Action Requested: See paragraph 4. [REDACTED]2. Background:

- a. The Collection Plan on technology transfer at Tab A was developed with the active participation and concurrence of the Technology Transfer Intelligence Committee (TTIC) and appropriate agencies and departments.
- b. The Plan will also be supplemented by a Collection Support Brief prepared by the TTIC which elaborates on priority requirements at the CONFIDENTIAL level and provides detailed source screening guides and source follow-up questions for field collectors. [REDACTED]

3. Staffing: The Collection Plan on technology transfer was approved by the TTIC and subsequently coordinated in a meeting with representatives from collection and production elements of each of the agencies named in it. The selection of Embassies that should receive the Plan represents the consensus of meeting participants.
